Analysis of Feedback

Session 2020-21

The institution has a policy to collect feedback on the implemented curriculum. This feedback is obtained from the students and teachers at the end of the completion of programme. Students feedback on curriculum is discussed in all faculty meetings. The parameters included in the feedback are as under:

1. Design of the curriculum in terms of catering to the needs of the students
2. Contribution of the curriculum in Skill development
3. Relevance of the units in syllabus
4. Relevance of the objectives stated for each of the course
5. Applicability to real life situations
6. Depth of course content
7. Content in terms of burden on the student
8. Evaluation Scheme
9. Adequateness of Text Books
10. Extra learning from the syllabus

Five point grade system was adopted in which the above points were rated as excellent (5) very good (4) good (3) average (2) and poor (1). The data collected from the students were analyzed and the results are being displayed in graphical form as under:

Nil

As for as concerned to Mathematics syllabus framed by RTMNU UNIVERSITY, I would like to comment that it is good and it can be used in multidisciplinary

The content of curriculum are valuable in real life.

Develop curriculum to students centralized

Government not providing attention toward quality education

Good
