Analysis of Feedback

Session 2016-17

The institution has a policy to collect feedback on the implemented curriculum. This feedback is obtained from the students and teachers at the end of the completion of programme. Students feedback on curriculum is discussed in all faculty meetings. Some of the parameters included in the feedback are as under:

Contribution of the syllabus to develop the skills of the students

Applicability to real life situations

Usefulness of the syllabus

Evaluation Scheme

Depth of course content

Five point grade system was adopted in which the above points were rated as excellent, very good, good, poor and very poor. The data collected from the students were analysed and the results were displayed in graphical form.
